Eighth Grade Summer Reading Project

Advanced and Gifted/Talented

Students entering eighth grade for the 2013-14 school year should complete the following assignment. Be prepared to present the assignments in class on September 14th. If your student worked in the Achieve 3000 program during the school year, an alternative summer reading assignment may be available. The Summer Reading Race information is being provided to those students in a separate notice.

Read the novel FEVER 1793 by Laurie Halse Anderson. The novel is available at the public library and at local bookstores.

For each diary entry, write the date, a brief summary of the chapter, and your reaction to it.
